**JUSTIN TIMBERLAKE**  
JUST WANTS TO BE ALONE

PLUS: MEET THE 27 MAVERICKS WHO ARE  
CHANGING YOUR LIFE

### DETAILS: How to Wear Sunglasses

**Round face:** Full cheeks and a curved jawline call for frames with a contrasting angular shape. Boxy plastic or metal pairs in a size that won't overtake your face work equally well—just make sure the corners are slightly rounded, not sharp, or you'll look like you're channeling Neo in *The Matrix*.
